This advice letter seeks Commission authorization for Suburban to update its Whittier/La Mirada Tariff Area Map to include the Sativa System, cancel Sativa Map, close certain memorandum accounts (Lead Testing, Tax Cuts & Jobs Act, A.18-05-004 Cost of Capital, and Asbestos Litigation), and to amortize the CAP and data sharing memorandum accounts balance as adopted in D.24-12-030.

In addition, Suburban plans to close the data sharing memorandum account once the balance in the account has been fully amortized.

Suburban also updates its tariff pages for Schedule WLM-1 and WLM-2 to include the Sativa System territory, along with the tariff page for CAP-1, and cancel tariff page for Sativa, S-1.

Background

These tariffs are submitted pursuant to Ordering Paragraph (OP) 5, 16, 18, and 20 of D.24-12-030, issued on December 23, 2024, which states:

- “5. Pursuant to Suburban Water System’s (Suburban) Special Request 2, Suburban shall amortize the Low-Income Water Rate Assistance and Low-Income Data Sharing Memorandum Accounts via a Tier 1 Advice Letter. Suburban is directed to close the Low-Income Data Sharing Memorandum Account after it is amortized.*
- 16. Suburban’s Water System’s (Suburban) Special Request 14 to close its Lead Testing Memorandum Account, Tax Cuts & Jobs Act Memorandum Account, and the Cost of Capital Memorandum Account are granted. Suburban shall file a Tier 1 Advice Letter to implement the closure of these accounts.*
- 18. Suburban Water System’s (Suburban) Special Request 16 to update the Whittier/La Mirada Tariff Area Map to include the Sativa System is granted. Suburban shall file a Tier 1 Advice Letter to implement this change.*
- 20. Suburban Water System’s Special Request 18 pertaining to the request to extend the expiration date of the Asbestos Litigation Memorandum Account is denied. This memorandum account shall be closed via a Tier 1 Advice Letter.”*

Tier Designation and Effective Date

This is a Tier 1 filing – the advice letter is a compliance advice letter. Suburban requests processing by the Commission’s Water Division so the surcharge will become effective on March 1, 2025.

In compliance with Water Industry Rule 4.1 of General Order 96-B, a copy of this advice letter has been mailed or electronically transmitted to all interested and affected parties as detailed in Attachment A.

Protest and Responses

Anyone may respond to or protest this advice letter. A response supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

- (1) The utility did not properly serve or give notice of the advice letter;
- (2) The relief requested in the advice letter would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
- (3) The analysis, calculations, or data in the advice letter contain material error or omissions;
- (4) The relief requested in the advice letter is pending before the Commission in a formal proceeding; or
- (5) The relief requested in the advice letter requires consideration in a formal hearing, or is otherwise inappropriate for the advice letter process; or

- (6) The relief requested in the advice letter is unjust, unreasonable, or discriminatory (provided that such a protest may not be made where it would require relitigating a prior order of the Commission.)

A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

A response or protest must be made in writing or by electronic mail and must be received by the Water Division within 20 days of the date this advice letter is filed. The address for mailing or delivering a protest is:

Grand Ave., Suite 100, Covina, CA 91724-4044, and email to kiki.carlson@nexuswg.com

The informing document should include an estimate of the date the proposed protest might be voted on.
