Preliminary Statement

This Contract is entered into pursuant to requirements of, and in accordance with the various applicable provisions of, Utility's Main Extension Rule in effect and on file with the California Public Utilities Commission, a copy of which is attached hereto and made a part hereof, hereinafter "Rule". This Contract does not, therefore, require specific authorization of said Commission, to carry out its terms and conditions.

Purpose of Contract

Applicant hereby applies for a water main extension. The Distribution Plant and/or Special Facilities described in attached Exhibit B shall be installed by Utility, and those described in Exhibit C by Applicant. Such Distribution Plant and/or Special Facilities will be used for the purpose of furnishing public utility water service to that certain property known as: _____

_____ and delineated on that map attached hereto as Exhibit A. Utility agrees that it will, as soon as necessary materials and labor are available, and necessary permits, franchises, licenses or other governmental authorizations have been obtained, commence and prosecute to completion with all reasonable diligence the work of installing the Distribution Plant and/or Special Facilities and when complete and accepted will provide utility service in accordance with Utility's tariffs.

Fire Protection

The distribution system is designed to meet the fire flow requirements established pursuant to Section VIII.1.(a) in the California Public Utilities Commission General Order No. 103, as ordered by Decision No. 82-04-089, dated April 21, 1982.

Contributions Not Subject To Refund - Distribution Plant and/or Special Facilities

Applicant agrees to contribute the amount of \$_____ to cover the cost of facilities described in said Exhibit B, pursuant to Section C.1.d. of Rule, which amount includes \$_____ which has already been deposited pursuant to Section A.5.b. of Rule, before construction of the main

extension is commenced, subject to revision of the amount contributed pursuant to Section A.6.e. of Rule. Applicant also agrees to contribute the cost of installed facilities described in Exhibit C, pursuant to Section C.1.c. of Rule.

Refunds

All costs are contributed and are not subject to refund.

Conditions

The Utility will not be required to make extensions under this Contract where the easements, rights of way, or streets are not kept free from other interfering construction or street work during installation of said water system. Applicant agrees to use its best efforts to assist Utility to obtain any and all permits, franchises or other governmental authorizations which may be required for the installation of the facilities. Applicant will provide any easements or rights of way required for the installation.

Successors and Assigns

The obligations of the Applicant shall be joint and several. This agreement shall bind and inure to the benefit of the heirs, representatives, executors, administrators, successors and/or assigns of the respective Parties hereto.

Jurisdiction of Public Utilities Commission

This Contract shall at all times be subject to such changes or modifications by the Public Utilities Commission of the State of California as said Commission may, from time to time, direct in the exercise of its jurisdiction.

The effective date of this contract shall be _____, 19_____.
