

Water Conservation Notice

Awareness - Voluntary

Goal:

Achieve a ten percent **(10%) VOLUNTARY** reduction in total and daily water demand.

Triggers / Reasons:

When any of the following occur:

1. To preserve the health, safety and well-being of water users, the Utility encourages customers to follow voluntarily conservation awareness practices below.
2. When not in a declared drought or mandatory water restriction period, the Utility will implement this voluntary conservation stage between May 1st and September 30th. The Utility will notify customers each spring that Voluntary Conservation is in place.

Voluntary Practices:

The Utility recommends customers voluntarily limits of outdoor water use:

- Limiting the irrigation of landscaped areas using hose-end sprinklers or automatic systems between 12:01 a.m. to 4 p.m., 7 a.m. to 10 a.m., and 8 p.m. to 11:59 p.m. on recommended watering days.
- Water garden, trees, flowers or other landscaped areas with hand held hose, a faucet filled bucket or watering can any day between 6 p.m. to 10 a.m., and avoid unattended hoses.
- Utilize soaker hoses anywhere except lawns from 8 p.m. to 10 a.m.
- Limit vehicle washing with bucket or hand-held hose with automatic shut-off.
- Draw less water for bath or reduce shower time.
- Do not let water run while shaving, dish washing, brushing teeth, etc.
- Keep pools covered if not used on a daily basis.
- Use water displacement device in toilet tank.
- Install aerators on faucets.
- Utilize water reuse where possible.
- Replacement or retrofits with ultra low flow fixtures is encouraged.
- Use a broom or blower instead of a hose to wash off driveways, sidewalks, or streets.
- Use commercial car washes that recycle water.
- Take measures to prevent runoff from property from reaching streets, sidewalks, or impervious areas.

Recommended Watering Days:

Address ends in 1, 4, 7 or 0	Monday and Thursday
Address ends in 2, 5 or 8	Tuesday and Friday
Address ends in 3, 6 or 9	Wednesday and Saturday
